Create any kind of content. But will the funding stay afloat? How does it work? UPDATE PROJECT MANAGEMENT Thank you for your patience while we work on our Anniversary Upgrade! Although the first version of the anniversary has been released, we want to let you know that there's more content coming. We also need to ask for your patience again while we find out how to best organize the Anniversary Update. Any problems you may encounter while using the Anniversary Update can be reported here. As soon as we have more information on the update, we will update this description to reflect the changes. If you experience any problems, please keep sending us feedback. We also need to let you know that the next update might not be released in the shortest time possible. PLEASE INTRODUCE YOURSELF UPDATE RELEASE DATE UPDATE PROJECT

TEAM Please keep us up-to-date by sending us feedback or comments. We have created a survey where you can do that. We will make sure to collect the results and make use of them. We will publish the survey results as soon as possible. Please keep us up-to-date on what you want to see. If you have any more questions, please do not hesitate to get in contact. If you feel like you want to introduce yourself and your role in the team, we encourage you to do that. Thank you for your understanding! (1/13)
